Report of School Board.

To the Citizens of the Town of Mason,

Greeting:

In submitting this, our Annual Report, we can truly say that with one exception the schools in town have been run with excellent results during the last year.

Five schools have been in operation, with less scholars than of previous years, which has necessarily increased the rate per scholar, a circumstance over which your committee has no control. There is but one way, in the minds of the committee, to obviate the expenditure, and that is to reduce the number of schools.

Owing to the few scholars it requires considerable thought and attention to place the schools to the best advantage of the scholars and town, and we think if the few people who deem it their duty to censure the committee would turn about and give their coöperation, the schools could be run with better advantage to everyone concerned.

The schoolhouse in Dist. 4 has received considerable attention in the line of repairs. No. 6 has been provided with new seats, and No. 2 has been renovated, making the schoolhouses in town in fairly good condition.

Respectfully submitted,

JOHN T. SMITH,
ALBERT O. CHILDS,
ALBERT B. EATON,
School Board of Mason.
